TWO NEW DISASTERS COME TO DUNE:
DIPLODEUR AND WROBEL

On Sat. March 24, 1973, history shall record several earth shattering events: first and foremost: a set of two games in which Edi Birsan did everything he said he would and did not lie, cheat, steal or in other manners behave as usual; second and second most: Bob Johnson gave up gamesmastering 72V and 68CC; and third and fourth most: Stan Wrobel comes under the Gamesmastering guns of BirSauron himself. Vengeance is sweet!!!
